Dear Janet

Thank you for your email of 14 March enclosing individual enquiries raised by constituents at the recent public meeting held in Maenan.

I would like to start by thanking you for arranging the public meeting and I hope your constituents found this helpful and informative.

I have assigned these enquiries to our first point of contact centre who will respond directly to each of your constituents, highlighting your intervention in the matter, providing them with a broadband roll out status and options available to them.

Please let me know if I can be of any further assistance.

Yours sincerely
