Dear Janet,

Thank you for your letter of 23 March regarding brown signing at junction 19 of the A55 for tourism destinations in Llandudno.

We are aware the damaged tourism sign for Llandudno attractions was removed. We have instructed our Agent, The North and Mid Wales Trunk Road Agent (NMWTRA) to assess the tourist signing provision for eligible attractions in Llandudno, including the signing provision for other eligible attractions along the A470.

NMWTRA have advised that their supply chain will commence the review in April. The review will identify any missing signs and inform the development of a tourist signing strategy, to ensure consistency of tourism signing on the trunk road approaches to junction 19 of the A55 at Llandudno.

The aim is to install the tourism sign updates at A55 junction 19 in the 2022/23 financial year, subject to the availability of funding.

Yours sincerely,

Lee Waters AS/MS
